2023 - 2024 School Year**

Supplemental Parent Questionnaire for Junior Kindergarten Applicant

Junior Kindergarten is intended for children who meet the State's age requirement for Kindergarten, but who would benefit from another year in our nurturing environment. These children receive priority placement in JK. This program may also be offered to students with a fall birthday if there is space available and both the Day School and parents feel that a child is developmentally ready.

I hereby authorize my child's current teacher to provide relevant information to St. Aidan's Episcopal Day School for purposes of my child's application to attend Junior Kindergarten.
