\*Junior Kindergarten is intended for children who meet the state's recommended age requirement for Kindergarten but would benefit from another year in our nurturing environment. While priority is given to children turning 5 by Sept 30, students with fall birthdays may be enrolled if there is space available and both the Day School and parents feel the child is developmentally ready for a longer day and more challenging program. In addition to this application, JK applicants are required to fill out a Junior Kindergarten Parent Questionnaire.
