*Junior Kindergarten is intended for children who meet the state's recommended age requirement for Kindergarten but would benefit from another year in our nurturing environment. While priority is given to children turning 5 by Sept 30, students with fall birthdays may be enrolled if there is

space available and both the Day School and parents feel the child is developmentally ready for a longer day and more challenging program. In addition to this application, JK applicants are required to fill out a Junior Kindergarten Parent Questionnaire.

**St. Aidan's Episcopal Day School
2022 - 2023 School Year
Supplemental Parent Questionnaire for Junior Kindergarten Applicant**

Junior Kindergarten is intended for children who meet the State's age requirement for Kindergarten, but who would benefit from another year in our nurturing environment. These children receive priority placement in JK. This program may also be offered to students with a fall birthday if there is space available and both the Day School and parents feel that a child is developmentally ready.

I hereby authorize my child's current teacher to provide relevant information to St. Aidan's Episcopal Day School for purposes of my child's application to attend Junior Kindergarten.
